

Welcome to a world of possibilities...

The Sanders Watney Trust is the charitable arm of the British Driving Society. The main objectives of the trust is to help disabled persons follow their goal of carriage driving.

Financial assistance may be given to RDA affiliated Carriage Driving Groups for the Disabled in the form of gifts or interest free loans to help towards the purchase of carriages, harness, driving holidays or training seminars.

Carriage Driving Groups

Disabled driving groups are available all round the United Kingdom that provide a fulfilling and exhilarating experience for disabled service users with the opportunity to learn new skills for people of all ages and abilities of a restrictive nature. These include physical handicaps, visual impairment, hearing impairment and learning difficulties. The Groups are run by an army of volunteers to facilitate everything necessary for a disabled service user. Purpose made carriages to accommodate wheelchairs and specially trained RDA approved horses and ponies are some of the equipment adapted for disabled drivers that the Sanders Watney Trust supports with its financial assistance.

Training Grants

The Sanders Watney Trust provides training grants to support workshops for improving the skills of disabled carriage drivers. The Trust also gives training grants to RDA carriage driving coaches whose presence in the carriage is vital to ensure the safety of the disabled drivers.

Financial Assistance

Since the The Sanders Watney Trust was established in 1986, the charity has made grants totalling over £160,000 for the benefit of the RDA carriage driving community.

Carriage Driving Holidays

The Sanders Watney Trust often makes contributions to the cost of driving holidays for disabled service users organised by disabled driving groups. For some, these holidays are the only opportunity they have to experience carriage driving in different areas. The holidays enhance their driving skills, allow them to make new friends and have lots of fun in the process.

Scholarships

The Sanders Watney Trust runs two scholarships annually to fund training and tests for one disabled driver and one RDA carriage driving coach. They are open to any member of an RDA affiliated disabled carriage driving group who is also a member of the British Driving Society. Further details on all the above are available from the The Sanders Watney Trust.

Share your support...

The valuable work of the Sanders Watney Trust is totally reliant on the generosity of individuals thanks to their kind donations and bequests. To help facilitate and secure our services for continued work for the disabled carriage driver, we welcome your support and any financial contribution. Any donations paid by UK taxpayers are also be subject to an additional contribution from the HMRC under the Gift Aid scheme. Simply tick the Gift Aid box to enable the Sanders Watney Trust to make a claim. You will need to pay at least as much UK tax in the tax year in which you donate as the amount Sanders Watney Trust will reclaim on your donation.
